Our Team

Dear Valued Customer,

Seacorin was founded in September 2014, and our goal was to bring the best quality seafood to our customers. We have always focused on customer satisfaction and our commitment remains unchanged and stronger than ever.

We import and distribute the freshest, high-quality frozen seafood. We never compromise on quality and through our Asian office, we can differentiate us from the competition. We take pride in our hard work and continuous efforts that made us become one of the best Seafood traders in Europe.

We have always believed in team efforts and all employees are fully aligned and willing to put in their usual best to serve the needs of our customers. Our growth has been admirable and the profit in line with expectations.

It's our pleasure to serve you! Your support and trust in us are much appreciated.

About us

Seacorin Belgium is a growing company situated in Waregem and with an office in Bangladesh. The company imports and distributes high-quality frozen seafood. We offer a very large range of prawns, crustaceans, shellfish, molluscs and value added products. Seacorin is active worldwide and our customers are Wholesale, industry and even Retail.

Activities

Seacorin is a seafood service company with partners throughout Europe, Asia and South-America. Worldwide import and export of frozen seafood is our main activity. We stand for high quality and food safety. The company has obtained certifications as ASC, MSC and recently IFS Broker. The imported goods are provided for customers in Wholesale, industry and Retail. Our brand is called Ebi and stands for quality and sustainability.

Our services

- Price negotiations and analysis
- Market reports
- Factory audits
- Online inspections
- Pre-shipment quality control
- Loading supervision
- Test report analysis

Our strategy

Quality: Seacorin never accepts a compromise on quality
Technical expertise: Seacorin makes the difference through its knowledge platform and close monitoring of the quality by our local offices in Asia.
Hands-on mentality, colleagues with responsibility and no bureaucracy: Seacorin has a flat structure and aims to empower people
CSR (Corporate Social Responsibility): Seacorin has the goal to make profit while paying attention to social aspects and ecological impact

How do we achieve this?

- By maintaining continuous close contact and interactions with customers and suppliers
- By continuously training staff and partners, as well as expanding our knowledge platform
- By exploring both existing and new markets
- By anticipating changing market developments and new products
- By ensuring transparent communication and ethical business with our partners
- By an "everything is possible" spirit

MISSION

We continuously improve and optimize the standards of our company, its products and its services. We focus on global B2B customers and professional users. Above all, we ensure quality products and respect value for money.

VISION

We want to be recognised as a leading trader of seafood which makes the difference through its knowledge and close monitoring of worldwide local offices.

VALUES

- Seacorin has a no-nonsense culture and our values are very straightforward:
- We are passionate, enthusiastic and dedicated
- We strive for the best and to be the best
- We are proud of what we do and who we are
- We are innovative and strive for sustainable growth
- We are flexible and resilient
- We present ourselves as a low cost company
- We are transparent and we favor direct and open communication
